

25th August 2020

Dear Parents

Thank you for your patience over the first two days of school. Children have been great and have adapted brilliantly so far. They are using the hand sanitiser that is located around school and washing hands regularly. We need to continue this, every day. Keep reminding about the importance of washing hands and using tissues.

After monitoring our new routine, we have to make a few slight changes so that children can wash hands at the start of the school day and start the class bubble correctly. We had hoped to bring in more than one class at a time, but we'll have to have single drop offs for P3 and P2 so that we have enough sinks and soap for the children coming in together. Please take note of these changes and pass them on to those who are dropping children off. We also must insist upon children being dropped off at the correct time, not before it.

Siblings may come with the earliest drop off time as before. They may also be picked up at the same time as their older siblings, just let us know please.

Many thanks

M McGrath
